CALL US TODAY TO DISCUSS YOUR REQUIREMENTS

Welcome to Get Trapped
GET TRAPPED would like to wish all our customers a safe and pest-free 2015!

A big thank you for your continued support throughout 2014.

Get Trapped has been in the trapping supply industry since 2007. We are a family business based in both Brisbane and Warwick, with many years experience in agricultural and animal husbandry fields. We stock a large range of pest control products, including - animal deterrents, wildlife rescue equipment, humane animal traps, imported cages and foot traps, as well as a selection of locally made cage traps in larger standard sizes, with many other sizes and appeals made to order.

We also offer the following services in the South East Queensland area:

- Trap fitting
- Advice for successful trapping
- Capture & relocation services

Po Box 489
